

**2005 Florida Association of Counties
Social Service Professionals**

Lee County is pleased host the 2005 Florida Association of Counties Social Service Professionals conference.

The date of the conference is September 28-30, 2005.

We plan to begin on Wednesday September 28 after lunch so that people can travel to Fort Myers that morning. We will end the conference around 11am on September 30, 2005.

The location we have selected is the beautiful Pink Shell Beach Resort & Spa on Fort Myers Beach. All rooms are ocean front with a great view and have a full kitchen (this means no one has to bring their own coffee maker just the coffee). The rooms are either one bedroom for \$139 per night or two bedroom for \$189 per night. The two bedroom units have one room with a king sized bed and one room with two double beds and two full baths. These rooms could essentially accommodate 3 people who are willing to share.

Off site restaurants are within walking distance or a trolley is available for transportation on the beach. So once you park, you will not have to drive.

Below is a link to the website. We are in the process of getting the FACSEE website updated. If you have any questions, comments, or concerns feel free to contact me at the number below. We are looking for cash sponsors to cover the cost of speakers and donations of raffle prizes so if you know of any prospects or have anything to donate your help would be appreciated.

Lee County is excited to be the host county for this event.
